Taylor Lee Lys - *Leo* - 20 Aug 1957 – 23 Mar 2004: Loved much, gave much, felt much, asked little. Born in Minneapolis, Minnesota, Taylor is a natural comedian who was made to make others laugh. Taylor departed to be with her Lord too soon having carried the cross of cancer with grace. She left behind a legacy of *Silver Moon™* Paintings that provide a window into the Heavens. We look forward to seeing her again soon.
