The McCarys are a family of five who have made their home in Marble Falls, Texas since 2006. An Air Force Veteran, Mark joined his wife in her dream to create and build a small town law practice where they could raise their daughters, Anne, Kate, and Eleanor, in a fine community with good schools, caring neighbors, and strong American values. Mark and Mandy have been attorneys licensed in Texas since May 2000/May 2001, respectively. Mark specializes in business law with an interest in helping innovative small- to medium-size companies grow smartly. Mandy is an experienced civil litigator who has tackled numerous general practice issues in the courtroom. Both Mark and Mandy serve as advisors on a number of local boards, and they are active church members. For an overview of their law practice, please visit their website at [www.m2lawpc.com](http://www.m2lawpc.com).

Mark is a distinguished graduate of Virginia Military Institute (1992), a University of Texas Law grad (Fall 1999), and Bosch Fellow (2000-2001). Mandy is an honors graduate of Hardin Simmons University (1998) and is also a U.T. Law grad (Spring 2001).

Look for Mark and Mandy around town with their girls and/or their dog, Ester, or you can visit them at their office on the corner of Sixth Street and Avenue G. You can't miss it—they are the proud owners of Dar Richardson's "Lollipops III" sculpture that was part of [The Arts Sculpture on Main](#). Check out [The River Cities Daily Tribune Article](#) that was written about their acquisition.

The McCarys look forward to giving our visitors and new neighbors a friendly welcome to Marble Falls.
